Parents

We would like to support students who have shown a responsible attitude to study in school by agreeing to study at home when they have blocks of time free. Students have been asked to complete the timetable above to show their commitments. If you are happy with their proposals, please sign below and return to your son/daughter's tutor at school.

I give permission for my son/daughter _____, tutor group 12/13 _____
to study at home during the time block(s) shown.
